

FAIRLEIGH DICKINSON UNIVERSITY

Master of Science in Taxation

Many good reasons to join!

- Designed to meet the educational and training needs of tax professionals.
- Provides both practical knowledge and technical expertise.
- Benefits both entry level and experienced professionals.
- GMAT may be waived for CPA, EA, CMA, CFP, JD, and MBA from AACSB accredited schools and/or based on substantial work experience in tax, accounting, or financial planning.
- University Provost Scholarships available for qualified students.
- Faculty have outstanding academic credentials and strong professional backgrounds.
- No classes during peak tax season. Some classes held Saturdays and in summers.
- Offering important electives such as ASC 740, International Tax, S Corp, Financial Products, and others.
- Graduates employed at the Big 4, mid-sized regional firms, small firms, IRS, and corporate tax departments.
- We are exploring the viability of creating an off-campus location in Middlesex County (around Edison). Email to let us know if this would be of interest to you.
