## **NJ Property Tax Relief Programs WHAT TO EXPECT**

*By Peter Humphreys and Ellen Steinberg*

New Jersey has five different property tax relief programs. Each of these programs have their own eligibility requirements, applications, processing and deadlines. Your specific circumstances will determine how many of these programs you may be eligible for. The Anchor Program and the Property Tax Deduction/Credit on your NJ State Income Tax Return (NJ-1040) are available for both Homeowners **and** Renters.

Attached is an overview of each of New Jersey's Property Tax Relief Programs along with phone numbers and websites for help.

Payments for the 2020 Anchor Program are beginning to go out in October 2023. The deadline to file for a 2020 Anchor payment is December 29, 2023. The 2022 Senior Freeze is a separate program from Anchor with different eligibility requirements. It is for homeowners only and has its own application form which must be filed by October 31, 2023.

The five NJ programs currently providing Property Tax Relief are:

- 1. Anchor Program (*formerly Homestead Benefit*)**
- 2. Senior Freeze**
- 3. Veterans' Credit**
- 4. Senior Citizens Annual Property Tax Deduction**
- 5. NJ State Income Tax Return: Property Tax Deduction**

A new program, Stay NJ is scheduled to **begin in 2026.**

Those who did not receive a 2019 Anchor Benefit should have received a 2020 Anchor Benefit filing packet containing your ID and PIN number and instructions. You can then apply by phone or online.

Homeowners who did not receive a Confirmation Letter or a 2020 filing packet can still apply, but will need an ID or PIN number which can be obtained by calling the state. Renters can apply without an ID or PIN number. Changes in certain circumstances such as a death require the filing of a paper application.
